

Ista Premium Aquarium Soil 2L

Price: R265.00

Description

Ista Premium Aquatica soil

- *A scientifically formulated substrate from natural soil sintered into a porous and granular structure with excellent filtering power.
- *Sintered with organic acid; suitable for shrimp, fresh water fish, and plants.
- *Helps maintain stable, healthy, and clear water for long period of time.
- *Lowers PH/KH of the water; creates weak acid and soft water environment.
- *Rapidly removes cloudiness and supports the development of aerobic bacteria.
