Ista Premium Aquarium Soil Large 8L

Availability: 5

Price: R750.00

Description
Ista Premium Aquatica soil

*A scientifically formulated substrate from natural soil sintered into a porous and granular structure with excellent filtering power.

*Sintered with organic acid; suitable fro shrimp, fresh water fish, and plants.

*Helps maintain stable, healthy, and clear water for long period of time.

*Lowers PH/KH of the water; creates weak acid and soft water environment.

*Rapidly removes cloudiness and supports the development of aerobic bacteria.
