Seachem Betta Basics 60ml

Availability: 2

Price: R90.00

Short Description

Creates ideal environment both bettas and plants Removes any chlorine, chloramine and detoxifies ammonia Buffers to 7.0. 60ml

Description

Seachem Betta Basics is designed to provide the optimal environment for both betta and plant. Seachem Betta Basics removes any chlorine, chloramine and detoxifies ammonia. It buffers the water to a pH of 7.0 and provides a healthy environment for fish and plant.

Use with each water change. For best use 2–3 times per week. Add 1 capful (5 mL) per each 1.25 L (1.25 quarts) of water. In Betta-only bowls (i.e. no plant) use 1 capful per 4 L (1 US gallon) with water changes.

Size - 60ml
