Short Description
Trace elements supplement for Cichlids. Contains only those elements actually demonstrated to be required by fish. 250ml

Description
Seachem Cichlid Trace supplies a broad range of trace elements demonstrated* to be necessary for proper ?sh health and growth. Unlike terrestrial animals, fish obtain nutrients from both their food and environment. Trace elements are normally depleted by utilization, oxidation and precipitation, thus it is important to restore them on a regular basis. Seachem Cichlid Trace contains only those elements actually demonstrated* to be required by fish.
