Description
Ocean Nutrition Brine Shrimp Plus Flake

- A gourmet food for all tropical fish, nearly all marine fish, and freshwater species.

- Highly attractive staple food for marine and freshwater tropical fish.

- High protein content.

- Supports coloration and helps maintain health and vitality.

- Formulated and tested by aquaculture biologists.

- Does not cloud the water.

Brine Shrimp is supplemented with a nutritious blend of seafood, plankton, algae, vitamins, and minerals, yielding a succulent flavor. This formulation helps support coloration and will assist in maintaining health and vitality in your fish.
