

Ruto Lance Fish

Price: R155.00

Description

Ruto Lance Fish is a high-quality frozen food option perfect for large carnivorous freshwater and marine fish. These nutrient-rich, whole lance fish are ideal for species like Arowanas, large Cichlids, Catfish, and marine predators. Packed with natural protein and essential oils, they support growth, coloration, and overall vitality. Conveniently frozen to maintain freshness, Ruto Lance Fish is a trusted choice for serious aquarists.

Feeding Tip: Feed as part of a varied diet. Do not overfeed. Always thaw before use.
