Description

JUWEL AUTOMATIC SMARTFEED 2.0 PREMIUM FEEDER

Discover the Juwel SmartFeed 2.0, a premium automatic feeder that allows you to schedule up to 3 daily feeds easily for your JUWEL aquarium.

Quick to install

The SmartFeed 2.0 is the premium automatic feeder for granulate and flake feed with an extended range of functions. Using the right mounting support, it can be fitted particularly simply and quickly to any JUWEL aquarium.

The SmartFeed 2.0 premium automatic feeder may be freely programmed for up to three feeds per day. The feed quantity can be dosed freely in eight levels.
