Short Description
Please read the description carefully before purchasing.

Description
Bubble Magus QQ1 External Hang-On Back Protein Skimmer offers high efficiency and compact design for optimized aquarium filtration in limited spaces.

Bubble Magus QQ1 External Hang-On Back Protein Skimmer is used to efficiently remove organic waste from aquariums up to 25 gallons/100 Liters, enhancing the health and appearance of the aquatic environment.

Experience the superior performance of the Bubble Magus QQ1 HOB Protein Skimmer, a compact and efficient solution designed for aquariums where space is at a premium. This skimmer boasts a hang-on-back (HOB) design, perfect for aquariums that lack the capacity for a conventional in-sump skimmer.
