Description
Bubble Magus QQ3 Hang-On External Protein Skimmer offers powerful skimming in a compact design, perfect for aquariums with limited space.

Bubble Magus QQ3 Hang-On External Protein Skimmer is used for efficient protein skimming in aquariums up to 75 gallons/300 Liters, designed to hang on the rim of the tank without the need for additional support.

Immerse yourself in the effortless and efficient aquarium maintenance offered by the Bubble Magus QQ3 Hang-On External Protein. Designed with your space constraints in mind, this protein skimmer delivers powerful skimming capabilities in a compact hang-on-back (HOB) design, perfect for aquariums without room for a conventional in-sump skimmer.

The QQ3’s unique design allows it to simply hang on the rim of your aquarium. Say goodbye to the hassle of fiddling with magnets or brackets to secure the skimmer. Its minimal footprint ensures it stays discreetly tucked away at the back of your aquarium, maintaining the aesthetics of your aquascape.

Footprint: 8x5.9x16"

Pump : Bubble Magus SP-1000

Pump Information: 22w

Capacity: up to 300L

Please ensure before purchasing this product that it will fit and function correctly for your aquarium / fish tank requirements.

We do not offer any refunds, exchanges, or returns for incorrect purchases, including items that are too small, too large, or incompatible with your setup.

Therefore, no refunds, exchanges, or returns will be accepted under these circumstances.
