

ADA La Plata Sand (2kg)

Call for Price: 011 826 5887

Short Description

La Plata Sand is natural sand having natural bright color. Ordered on request only.

Description

La Plata Sand is natural sand having natural bright color. It is suitable for general aquarium use and also good as cosmetic sand for planted aquarium. With its natural white color, La Plata Sand creates an atmosphere of natural river bed in aquarium. It does not affect the Water quality parameter. Ordered on request only.
