C-500 Dophin Canister Filter

Availability: 3

Price: R2,100.00

Description

The Dophin C500 External Cannister Filter is Powerful, streamlined with a unique design is super quiet.

Please ensure that you first prime the dophin C500 Cannister before switching it on.

The Dophin C500 Cannister itself must first be filled with water before switching it on.

Do not switch the Dophin C500 Cannister on while it is dry you will burn the head out breaking the filter i.e like ceasing an engine. (Very important)

Multi-functional, easy to set up, clean and maintain, there are 2 baskets in the filter, and the valves can move 360 degrees as needed.

Please ensure that you first prime the Cannister before use, i.e it must first be filled with water. Failure to do so will result in burning the head out.

Includes black bio sponge and filter wool only.

Soft Pipe, Taps, Suckers & In & Out Pipe Included.

Voltage: 220-240V

Power: 12.4w

Flow Rate: 1130L/H
