

Dophin CF-300 Mini Canister Filter

Price: R975.00

Description

Dophin – Mini Canister Filter CF300

It is a mini external cannister filter for a small tank, recommended for tanks, 2 foot & smaller.

High quality filter media with sponge material and charcoal.

Easy to clean & exchange the media.

The four safety locks to ensure and prevent water leakage.

Do not switch the Dophin CF300 Mini Cannister on while it is dry you will burn the head out breaking the filter i.e like ceasing an engine. (Very important)

Please ensure that you first prime the Cannister before use, i.e it must first be filled with water. Failure to do so will result in burning the head out.
