EHEIM eXperience 250 External Cannister Filter

Availability: 1

Price: R4,999.00

Description

With EHEIM eXperience 250 Cannister Filter you have the fundamental benefits of our top external filter generation.

With its predecessor, the professional, range EHEIM launched the first ever external filter range with a square basic shape. Benefits: space-saver (because the filter fits into corners), high stability and large filter volume.

Additionally, the Eheim eXperience 250 Cannister filter offers special advantages: for instance, a complete hose adapter unit with integrated shut-off taps, individually removable filter baskets with fold-away handles, very low energy consumption, very quiet running due to ceramic components and more besides.

The eheim 250 eXperience canister comes completely equipped – including accessories and filter media. You can start immediately.

Please ensure that you first prime the Eheim eXperience 250 Cannister filter before use, i.e it must first be filled with water. Failure to do so will result in burning the head out.

Do not cut or modify any wires, as this will void the warranty and may cause malfunction.
