Description
The Pseudotropheus elongatus complex is rather new to the hobby.

Metriaclima sp. "elongatus chailosi" is found at Chitande in Lake Malawi around rocks.

Metriaclima sp. "elongatus chailosi" is easy to care for. The fish are aggressive, but it is mostly only displayed towards other males of the same species.

Metriaclima sp. "elongatus chailosi" is a great fish to keep.
