Availability: 9

Price: R185.00

Description

Epic Aquatics Hardscape Glue can be used to bind rocks, wood, gravel etc. Once dry this is 100% safe for fish or shrimps.

Epic Aquatics Hardscape Glue 50g

Directions:

Remove Cap

Insert bonding media (e.g. toilet paper/tissues/cig filters) between the two pieces of hardscape

To secure hardscape: Apply 2 to 3 drops of glue on the bonding media, in a few seconds the media will start to "smoke". The hardscape is now secure.

Wipe spout tup

Replace cap securely

Store in a cool, dry place after use
